

## COLLATERALIZING AMERICA - klfreedom748@gmail.com

People always ask me “why doesn’t the Federal Gov’t follow the Bill of Rights and the Constitution?” How can the politicians get away with so much corruption? There is a reason.

I will discuss in detail not only how the Birth Certificate plays a role but how Trust Agreements are the mechanism the elite have used to rule over us for hundreds of years. **(Repeat)** Today we (the flesh and blood man & woman’s labor) are used as collateral for the printing of the fiat FRN’s. FRN’s are NOT just printed out of thin air, there really is a legal mechanism for how this is done.

Did anyone watch Game of Thrones? Everyone important in that show had a Title and that Title was Granted to them by the King or Queen. Thousands of years ago The King had Ownership **(Legal Title)** of all the Lands. For example, The King Granted the Title “Lord of the North” to Ned Stark, but he had certain duties and responsibilities. Yes he received benefits and privileges for being granted the Title, however he and his sons had to fight in any wars for the King. This Way that the King controlled his people was called **“DIVIDED TITLE”** because the king had Legal Title to the land but Ned Stark has use and possession of the Land **(Equitable Title)**. Remember a slave can never have ownership of Land. This is also called Serfdom, the peasants were mere “users” but the King or ruling Party always had control of the assets. **Anyone in the Military?**

### Trust Diagram

**There are 3 parties to a Trust, A Grantor, Trustee, and a Beneficiary.** The Grantor holds the asset and then conveys the Legal Title to a Trustee and gives the use and possession of the asset to the Beneficiary. **The Grantor divides the Title.** **The parties sign a contract called an indenture and most importantly the Grantor decides what Law form is used for the parties in the Trust.** UCMJ is the Law form in the service NOT the Constitution, right? The Federal Govt and the Bankers use Trust Agreements to control us and our behavior. All of these are examples of Trust Agreements, your Certificate of Live Birth, your Bank accounts, Federal Reserve Notes, your car insurance, your life insurance, your car title, your Mortgage on your house, your Drivers License, your IRA account, your Roth IRA account, everytime you click “User Agreement” it’s a Trust, your US citizenship is in a trust, your Social Security account is a Trust, isn’t it about time for you to learn about Trust Agreements. **(FRN’s use as example)** I recommend a **AMAZON book called Be the One to Execute your Trust by David E Robinson \$13.00 & Asset Protection**

**FINANCIAL SLAVERY IS STILL GOING ON TODAY BY THE SAME METHOD THEY USED THOUSANDS OF YEARS AGO, TRUST AGREEMENTS !!**

### Lets go back in History

- 1776** Revolutionary War, we defeat England, and Publish the Declaration of Independence. The Union States hire a company called the **United States** to do international commerce.
- 1783** **Treaty of Peace:** The Parties were England’s Prince George, Duke of Brunswick & Luxemburg (representative for the Holy Roman Vatican Empire) and the **United States were represented by Ben Franklin Esq, John Jay Esq, and John Adams, Esq.** **Everyone agrees that the United States owes France, 6 million livre** (monies borrowed for the Revolutionary War) and the note is due in 1790 (**7 year Note Bankruptcy Law**). **A Treaty is formed where the Vatican gets the Air Jurisdiction, the Crown gets the Sea Jurisdiction and the United States of America gets the Land Jurisdiction.** (LAW) The union states form a **company called “United States” (HOA)** to handle all **international commerce**, because we had no Navy, England did and they were already patrolling the Seas to protect merchant ships.
- 1789** The 6 million livre has increased to 18 million livre and is due in 1790, or else liquidation under International Bankruptcy Law. **The Continental Congress does NOT have the money; so they form a “Constitution” (Trust) (Blacks Law – Constitution is a security with sureties, created by consitutors.)** **The 13 States are the original Constitutors.** (see Trust Diagram #1) **(Blacks Law: a constitutor is one who promises to pay the debt of another)** They convene the **First Congress**, all persons considered citizens of their respective state that they were born in: **Article 4 Section 2 The Citizens of each state shall be entitled to all Privileges and Immunities of Citizens in the several States, including the 8 Bill of Rights. (Privileges and Immunities for “We The People & their Posterity” are Benefits)** Just like today, the Bankers wanted Collateral to secure the Loan. **The Bank of England agrees to re-structure the debt on the following conditions, (1) form a Central Bank (1791), and convey Legal Title to all Federal Land and Buildings to the Crown, (to pay rent & taxes to the Crown) the United States (HOA) will act as Trustee managing the property, and “We The People” keeping Equitable Title (use & Possession).** **The debt is now due in 70 years (1789 + 70 = 1859) United States of America is now a country = 70 years debt due instead of 7 years as before (1783-1790)**

### 1st Constitutional Trust Diagram

This Trust Agreement is called the Constitution For the United States of America  
And the Law form is English American Equity and Common Law

- 1859 (1789 + 70 = 1859) **The Debt is due (\$90,000,000.00) (HOA) (United States)** does NOT have the money to pay, **the southern States refuse to "sign on" as sureties to that debt.**
- 1861 **The Civil War** begins, **The southern states walk out March 27, 1861** Sine Day
- 1863 **April 24, 1863 Lincoln declares the TMO-HOA "United States" Bankrupt.** The Military takes over the duties of the HOA, the Army is instructed to protect the 1<sup>st</sup> National Trust Assets.
- 1864\* **Act of June 30, 1864**, Stat 223 sect 182: And be it further enacted, that wherever the word state is used, shall be construed to include the territories and the District of Columbia. A "person" is no longer a people, it is a corporation. 37<sup>th</sup> Congress sect 68
- 1865 **Civil War ends, no Treaty signed** which means Liber Code still in effect. **(TMO-HOA) "United States" was Bankrupt**, the Bankers agree to re-collateralize the debt again. **In 1789 the Bankers were granted Legal Title to all Federal Land and Buildings, this time they are granted Legal Title to all State-owned Land and Buildings. The debt is now due in 70 years (1859 + 70 = 1929)** The Bankers also demand that all States have to pass the 14<sup>th</sup> Amendment to re-join the Union
- 1867 Congress created 5 military Districts in 10 Southern States, these commanders appointed judges to have tribunals to deal with "rebels". This created a new Law form called "Presidential Admiralty", **these courts displayed a Stars & Stripes with heavy gold fringe. Just like Today**
- 1868 **14<sup>th</sup> Amendment ratified**, (nullifies Dread Scott Decision) **Article IV section 2 Citizenship** (broadened and enlarged), **citizenship of the United States is now "Dominant and Superior" instead of being subordinate to Citizenship of their respective state. All Citizens now have American (National) Citizenship besides their union state Citizenship**
- 1871 **The Organic Act of 1871**, (Feb 21) Washington DC is now incorporated- **A new TMO-HOA is formed called ) the United States of America, Inc)** (See Trust # 2) **A new Constitutional Trust is formed between the Trustees of the 1789 Constitution and the 33 Bankrupt union States (1 word is changed)** It is now called The Constitution of the United States of America. **(NEW TRUST = NEW LAW FORM)** Under the new Trust = it is a Democracy with Roman Civil Law/Admiralty Jurisdiction/Military Venue **The States are now Beneficiaries while the new 14<sup>th</sup> Amendment citizens will be the Surety/Trustees. Every state enters into a Trust Agreement with the HOA (Trustees) -now forms a franchise of United States of America Inc. and incorporates itself becoming 50 Sub-corporations (Franchises) . Every new franchise STATE "codifies" its old laws into statutes or codes. In this new Trust Agreement, The State and Gov't s are now the Beneficiaries instead of Trustees under the Old 1789 Constitution Trust Agreement. The 14<sup>th</sup> Amendment citizens are now Surety/ Trustees instead of Beneficiaries like in the 1789 Constitutional Trust. The 1<sup>st</sup> Trust was a republic, (Law form - Constitution with Bill of Rights) the 2<sup>nd</sup> Trust is a Democracy. (Law form - Roman Civil Law).**
- 1906 **Certificates of Live Birth** are given out as benefits to female Federal employees who deliver babies in hospitals. **The Birth was supposed to be recorded but now it is "registered".**
- 1929 (1859 + 70 = 1929) (Debt due-17 billion) The HOA "United States of America" is Bankrupt. **Planned Stock Market Crash using Derivatives.** The DEBT is re-collateralized again, the Bankers have Legal Title to all Federal & State Land and all Federal & State Buildings, what is left to collateralize. **The People**, but that would be slavery which is against the Constitution, so.....they pledge the future labor of the People by creating the Sole Corporations (Sureties) and tax their income and wages of the Corporation. **(NOT THE NATURAL PEOPLE)**  
**The Sole Corp (ALL CAPS NAME)** becomes a "PUBLIC" Statutory citizen (created by each Sub-Corporation STATE.) and every act this Public Citizen engages in, becomes a taxable event. Remember 1895 Pollack case; every corporation can be taxed; and then later the Public Citizen **(ALL CAPS NAME) becomes the U.S. Corporate Citizen.** (thru the SS-5 app. for a SSN) **A Sole Corp is defined as "a legal entity consisting of a single incorporated office occupied by a natural person."** This Sole Corp is then placed into the Public Trust

- 1933 **March 4<sup>th</sup>, 1933** FDR takes Oath of Office, next inauguration moved to January 20<sup>th</sup>. Every new President sworn in on a different date because a new government was formed under the National Emergency War Powers.
- March 6<sup>th</sup>, 1933: National Emergency (Proclamation 2039)** This "national emergency" has the same effect as (going to war), it gives POTUS unlimited executive power. This was a *Coup de tat*, a new (Military, Article II, under Emergency Powers) form of Government ousted the *de jure* 1789 government. The new codified STATES become *de facto* military-occupied "territories" now under the control of the Commander-in-Chief, he seizes ALL PUBLIC REGISTERED PROPERTY (all registered property is Trust PROPERTY as Booty of War and every new POTUS under National (War) Emergency Powers. They place Article II Executive Seal on all Federal Courthouses, The Gold-fringed Flag with the eagle on top proves the Executive Power in every Courtroom today, NOT Judicial Power of Article III.
- March 9, 1933 (Proclamation 2040)** Emergency Banking Relief Act (EBRA) (The speaker had the only copy, gave 20 minutes for positive debate and then 20 minutes against, then voted on; The EBRA amends the 1917 TWEA and now is brought inland to apply to "any person" defined by the TWEA, within the United States". All Public U.S. Citizens (Corporations) are now deemed rebels, belligerents, and enemies of the State. All Public registered property is placed into trust via the Emergency, this includes the Public Citizen (Hybrid-Corp Sole) and all Land, farms, cars publicly registered, etc
- 1999 **1929 + 70 = 1999. (Debt due 5 Trillion)** According to International Bankruptcy Law, a Country can only go into Bankruptcy, 3 times for a total of 210 years. There is supposed to be a Jubilee and Sovereign DEBT forgiven. With a 20 year grace period, so 1999 + 20 = 2019. I believe the International Bankers are trying to find a way for the People to sign on to be Sureties again, for example if a new HOA gave everyone a (Universal Beneficial Income) or if they gave you a vaccine and now claimed you were an Artificial GMO (genetically modified organism) A New Trust Agreement By accepting the Benefit, you are entering a Trust Agreement that might have Laws in it that you can't possess a Firearm and can't have any 1<sup>st</sup> or 2<sup>nd</sup> Amendment rights.

## SUMMARY

**March 6, 1933 (Proclamation 2039)** (FDR declares a "National Emergency") FDR closes the banks (A National Emergency is treated as if we are at war) (TMO-HOA) United States of America Inc. Bankrupt. The Constitution places no limit upon the war powers of the government. A new TMO-HOA is formed, named "UNITED STATES, INC, today called the UNITED NATIONS which is a Sub-corporation of the IMF. this Corporation disburses SSN's.

**March 9, 1933 (Proclamation 2040)** (The EMERGENCY BANKING RELIEF ACT)  
 "Therefore, in view of such continuing national emergency and virtue of the authority vested in me by section 5(b) of the TRADING WITH THE ENEMT ACT, I do hereby proclaim, order, direct and declare that all terms and provisions of said Proclamation of March 6, 1933 and the regulations and orders issued thereunder after hereby continued in full force and effect until further proclamation by the President. This is the Coup de tat; the former sovereign de jure Government is ousted although the rights of the sovereign remain intact, in substance, but not in form. We are still under this Order today because the National Emergency has never been rescinded, it has continued for 87 years

Military Government is that which is established by a commander over occupied enemy territory. The people are generally left unmolested in ordinary domestic and business relations. Under our Constitution (Article 1 Section 8) & The Law of Necessity, one of the absolute international rights of the States is self-preservation. One of these powers is to institute Military Government. Under the American constitution, Admiralty / Maritime is a civil jurisdiction and can be regulated under a Military Venue. Admiralty Courts are merely civil in nature not criminal and the Bill of Rights DO NOT apply.

Secondly, occupants are treated as rebels, belligerents, and enemies. The commander has the right to seize any property. Every Sub-corporation (Franchise) State of \_\_\_\_ is a de facto conquered territory. Under the Constitution there are 3 kinds of Military jurisdiction; 1. One exercised in peace 2. One in Foreign war or in time of rebellion 3. one in time of invasion

The Commander-in-chief rules the country with Supreme Power (Executive - Article II) This is why Gold fringe flag with an eagle on top of the flag in each Courtroom.

1973 Congressional Record report by Frank Church, "The United States has been in such a state of declared national emergency since March 9, 1933". A majority of people of the United States have lived all of their lives under emergency rule. 'When a citizen is governed by military power, he is not governed by the soldier's code of military law, but he is said to be governed by martial law and this law is entirely different. These are just some of the facts that prove the "United States Inc" is governed under a military venue and Martial-Law jurisdiction. The Zip Codes are Military Venues. Martial Law has both Civil and Criminal jurisdiction. Only under Military Law does Congress have the Statutory authority to combine Equity and Admiralty / Maritime Law.

**HEADLINE in the American Jural Society 1996, "Judge admits to War Powers Court!!!**  
On the front page May 7, 1996 a Municipal Court Judge Carol Wardell in a traffic case stated, The defendant had refused to enter the bar unless she removed the flag. Judge said she would protect his rights under the War Powers act of March 9, 1933, but would not change the flag in her courtroom." This is for those who think lower level judges just follow orders and don't know what is going on, A newspaper article quoted the Associated Press Tuesday Feb 9, 1999 stated, In 1942, daylight savings time "war-time" went into effect in the United States.

**1<sup>st</sup> (TMO-HOA) (1789-1871) Trust Management Organization called the "United States"** hired to perform the 19 enumerated powers that the 1<sup>st</sup> Congress via the Constitution of 1789. 1863, Lincoln declares "United States Company" bankrupt, under Ch. 11 reorganization.

**2<sup>nd</sup> (TMO-HOA) (1871-1933) Trust management Organization called "United States of America, Inc."**  
FDR declares United States of America, Inc. bankrupt under Chapter 11 reorganization.  
The "estates" of the ALL CAPS NAME are moved to Puerto Rico, under DC territorial jurisdiction.

**3<sup>rd</sup> (TMO-HOA) (1944-present) Trust Management Organization called the UNITED STATES, INC,**  
presently preparing for bankruptcy, TMO looking to re-venue the ALL CAPS estates again with a New Trust Agreement i.e JOHN H DOE, instead of JOHN HENRY DOE, Universal Basic Income

**It wasn't the 14<sup>th</sup> Amendment that put citizens under the Crown's control, it was that all "persons"** defined under the March 9, 1933 TWEA placed all corporations & Trusts (Hybrid Corporate Sole via operation of law via application of Certificate of Live Birth) under the National Emergency War Powers; thus all U.S. citizens are now "rebels, belligerents and enemies of the STATE put under military jurisdiction in Military Courtrooms.

There are 2 governments in America and there always have been since 1791: operating at the same time. (Just like the movie the Matrix) **The Republic, (a Private Mortgage -Trust), which is civil government of the (union state Citizens also called American Nationals) and a DEMOCRACY** operating as a Public Corporate Trust Management Organization charged with providing the 19 enumerated services for the sovereign states which deals with international commerce. **Think of the (Federal Gov't- as a (Home Owners Assoc.)** that you pay to perform jobs you don't want to do in your subdivision. **They only have the powers that you voluntarily, contractually give to them.** The current form of Government found in every (STATE OF TEXAS, STATE OF NEW HAMPSHIRE) is seemingly republican in form, but is ultimately municipal because every such "STATE" (is a body politic, not geographic area) **Those STATES** has been transformed into political sFranchises of the District of Columbia, (a municipal corporation, Act of 1871), 16 Stat. 419, whose municipal Law is Roman Civil Law. **Roman Civil Law equates to "exclusive territorial" personal and subject-matter judicial jurisdiction over its residents. U.S. citizens who do not physically reside in the District of Columbia are treated as residents of that municipality for legal and tax purposes.**

#### REMEDY

**What did the Founding Fathers do when they were being oppressed? They publish the Declaration of Independence.** (Go over: "We therefore publish and declare...") If you are one of the Posterity you are not under the jurisdiction of the present emergency War Powers Govt!!! So that is why it is so important to "Declare your political Status". Think of it like you have the choice to be a Republican or Democrat by filing out papers with the Govt. You have the choice to be a union state Citizen or a U.S. citizen. (Go over the Declaration of Independence), We "therefore publish and declare..." This really is a voluntary system, **YOU CHOOSE, YOU DECIDE, YOU HAVE THE POWER**

1868 The 14<sup>th</sup> Amendment Sec 1 – All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States **AND** of the State where in they reside

1989 \* U.S. v. Austin Gary Cooper, Case # 89-109-Hoevler. Mr. Cooper was being prosecuted for not filing an income tax form. Cooper elicited a staggering disclosure from **Judge Hoevler; that there are simultaneously 2 citizenships,**

**“United States Citizens” and “American Citizens”**

**Cooper:** I want a judicial determination, am I an American Citizen or a United States Citizen

**Judge Hoevler:** “You’re both”

**The Dept of Justice Prosecutor Linda Koslowski revealed the “United States Citizenship” is based strictly on contract.** “He pays Social Security Tax and uses the Postal Service thus; this constitutes Co-Suretyship, therefore he is a U.S. citizen” **Surety is defined as a person who is liable for the payment of another’s debt or performance of another’s obligation. natural flesh and blood man born in the union states = American Citizen and the artificial public person = U.S. Citizen (Corporate citizen)**

Youtube, (**readiolab, Faith Pennington, girl who doesn’t exist**). Faith is evidence that the American union state Citizenship exists. This is a story about a young woman who was born on a farm in Texas, not in a hospital. Her Mom and Dad were devout Christians, so they did not register her birth nor did they apply for a Social Security Card. She is the third of nine children and when she was 18 she wants to move away from her family, normally the children would stay and marry others in their religious sect. Faith talks her parents into living with the grandparents, who are living in Austin, TX . Well she tries to go to college, they tell her she needs a Govt ID Drivers License, she goes to the DMV, they tell her she needs a Social Security Card, she goes to SSA and tell her she needs a Birth Certificate. She tells them she doesn’t have one and they tell her there is nothing they can do. She calls her congresswoman, she tries to pass a Law making Faith a U.S citizen because she has no record of her birth. The Texas Legislature tells her they cannot do it. **So Faith wanders around with her friends calling herself “the Girl who doesn’t exist” because SHE IS NOT REGISTERED IN THE SYSTEM !! She doesn’t understand that the system is built upon creating a “transmitting utility” (the ALL CAPS NAME) to conduct international commerce.** Commerce is between **incorporated “persons”**. A corporation cannot recognize a natural person and cannot conduct commerce with a natural person. Unfortunately she obtained a affidavit from her mom where the Vital Records Dept accepted that and gave her a delayed Certificate of Live Birth (**Her mother had to “GRANT” her NAME into the system.**

An important thing you can do is apply for a d.b.a. in your county. D.b.a. is an acronym for “doing business as”, another name in Florida is “Fictitious name, in Minnesota it is called an Assumed Name Certificate”. **Basically, you are telling the STATE that you the real man is going to do business as your ALL CAPS NAME.** This will get you to always think of your name as a business. Plus, you now have “STANDING” to sue in their Article II Courts. Many Patriots have tried to sue the Govt and been told that have no standing upon which relief can be granted, this is why, **MOST IMPORTANTLY NOW YOU HAVE A GOVT PIECE OF PAPER THAT STATES, THE ALL CAPS NAME IS NOT YOU, THE REAL MAN. And this can now be admitted as evidence in Court of Law as to your living real man status.**

**THE MOST IMPORTANT THING YOU CAN DO IS PERFORM A NAME CHANGE AT YOUR COUNTY COURTHOUSE. Every Court has this paperwork !!!** You are asking for a Judges Decree that changes the ALL CAPS NAME into Upper and Lower case font, the same as your parents gave you at Birth. This will essentially “kill the Strawman” **THIS WILL GIVE YOU LEGAL CONTROL OF YOUR NAME INSTEAD OF THE GOVT HAVING LEGAL CONTROL !!!** This is where knowledge of Trusts and Trust Law come into play. You create the new name, your claim is by Nature because it is and always has been your property. The STATE’s claim on your name if by legal operation of law, you have the SUPERIOR CLAIM and this extinguishes their claim on the NAME. **The ALL CAPS IS NOW DECEASED** instead of presumed dead, and now you can admit the Decree as evidence in any Court of Law and prove that the NAME the Court is not you, because you have a Judges Decree as to your legal name and immediately ask for a Dismissal or Abatement.

Re-cap TWE March 9, 1933

- Change # (1) TWEA is now imposed inside the geographic United States during a declared state of National Emergency.
- Change (2) The POTUS may now create agencies to “investigate, regulate (by means of licenses) , or prohibit” ie Securities & EX,
- Change (3) Banking Institutions within the United States are totally regulated by Congress without limitation. (Banks are #1 in lobbying)
- Change (4) All foreign and domestic financial transactions of “any person within the United States” can be investigate, regulated, or prohibited.

Re-cap Military Law === Law of the Belligerent Occupation  
Occupier is the Federal Gov't = HOA = Corporation

Page 30: “Although it is well established that sovereignty is **NOT** altered by military occupation, the occupation of nationals or neutral territory by an enemy will cause it to be treated as enemy territory for commercial and belligerent purposes.”  
(This is why a Pre-March 9, 1933 PANC is excluded from the TWEA act and thus **(included under Article 3-2-1) The Judicial Power shall extend to all cases, at Law and in Equity, arising under this constitution, the Laws of the United States, and Treaties made.**

Page 34: The suspension of the Authority of the legitimate government **(the 1789 HOA company called United States)** The Occupier (Federal corporation) has supreme authority necessary to accomplish his military objective and to restore public order. Since the Occupiers authority arises from the laws of international war, the powers of the sovereign (uSA) do not affect the occupier. The occupier is rights are based on international law of war and the occupier is not obliged to comply with the constitutional procedure of the occupied territory in making changes in the Law. The Courts of the Occupier render judgment in the name of the Occupant. (the Strawman)  
Occupied Territory is dependent on 2 underlying principals (1) it is provisional and (2) it must legitimate objectives ie they must be justified under military necessity or maintaining the need for order and safety. This is why the media are constantly broadcasting chaos and disorder = to give legitimacy to the National emergency.

**This is why we have to Seal the record in Court = the occupier cannot serve 2 masters at the same time, when the record is sealed; that is when they serve only 1 master: the master being the (PANC)**

Proof the all caps is a US CITIZEN:

Congressional Record, June 13, 1967, pp. 15641-15646: A "citizen of the United States" is a civilly dead entity operating as a co-trustee and co-beneficiary of the PCT, the Private Constructive, cestui que Trust of US Inc. under the 14th Amendment, which upholds the debt of the USA and US Inc.

In Section 4. "...it is evident that they [US citizens] have not the political 'rights' which are vested in citizens of the States. They are not constituents of any community in which is vested any sovereign power of government. Their position partakes more of the character of subjects than of citizens. They are subject to the laws of the United States, but have no voice in its management. If they are allowed to make laws, the validity of these laws is derived from the sanction of a Government in which they are not represented. Mere citizenship they may have, but the political 'rights' of citizens they cannot enjoy... People v. De La Guerra, 40 Cal. 311, 342 (A.D. 1870)
