Imagine a Fast Food chain is facing Bankruptcy so it gets all the local franchise owners together and they pledge their customers and their customer's assets as co-signers and collateral for the backing of the Fast Food Chain debt, that's WHAT THEY ARE DOING TO us since 1871

Supreme Court History of American Citizenship & 14th Amendment citizenship & the TWEA (3/9/1933) resulting in the loss of the Bill of Rights for American Citizens *(Read this intro 3 times)*

There are 2 governments in America and there always have been: operating at the same time. The Republic, (a Private Mortgage -Trust), which is civil government of the American Nationals and a (TMO) Trust Management Organization (a Public Corporate Trust-Democracy) charged with providing the 19 enumerated services for the sovereign states which deals with international commerce. Think of the TMO as a HOA (Home Owners Assoc.) that you pay to perform jobs you (the original 13 union states) didn't want to do.

The current form of Government found in every "State of....." is seemingly republican in form,but is ultimately municipal because every such "State" (is a body politic, not geographic area) has been transmuted into a political subdivision of the District of Columbia, (a municipal corporation), 16 Stat. 419 whose municipal Law is Roman Civil Law. Roman Civil Law equates to "exclusive territorial" personal and subject-matter jurisdiction over its residents. U.S. citizens who do not physically reside in the District of Columbia are treated as residents of that municipality for legal & tax purposes

800 Charter of the First Holy Roman Empire

1213 Treaty between King John and the Vatican, King John agrees that England and Ireland will be "fiefs" of Rome and that his crown (Authority) will be forfeited to Rome.

1215 Magna Carta: A document guaranteeing fundamental rights and privileges for everyone a revolt by English Nobility against King John abuse of feudal law and customs. **Thereafter all lands explored and claimed on behalf of the British Monarchs, is a custody of Rome.** The Holy See retained the global jurisdiction of the Air (Spirit), granted jurisdiction of the land to the Monarchs, and the jurisdiction of the Sea (Admiralty) to British Crown Temple Bar.

1302 Global Estate Trust Unam Sanctum (1455, 1481, 1537) by Papal Bulls, Pope declared himself Trustee (Vicar) of the Global Estate Trust. Air Jurisdiction = Pope, Sea Jurisdiction = British Monarchs, Land Jurisdiction = Spanish King each jurisdiction has its own Law form

1606 1st Virginia Charter: King James allows the Virginia **Company to govern the colonies.** The Council was headquartered in England headed by Lord Delaware. (a Company)

1666 Cestui Que Vie Act: Set up Roman Inferior Trusts in England to allow management of property belonging to unknown survivors of the Black Death and the Fire of London deaths. The **Citizens were presumed dead, their estates were administered by the Vatican. (just like today)**

1818* US v. Bevans, 16 US 336: Establishes 2 separate Jurisdictions within the United States of America; **The Federal (Territorial) Zone** and the **geographical union states jurisdictions.**

1821* Cohens v. Virginia: It is clear that Congress, as a legislative body, exercise **2 species of legislative power**; one, limited, but extending all over the Union, the other; an absolute **exclusive legislative power over the District of Columbia.** The legislative powers in the District of Columbia exists independently, and the legislative powers of the States can **NEVER** conflict with it, because **it can NEVER operate within the union States.**

1822 Secret Treaty of Verona: Article I: The high contracting powers, being convinced that the **system of representative government is equally incompatible with Monarch principles;** as the sovereignty of the people of the divine right, we engage mutually, in the most solemn manner to use all that their efforts to **put an end to the system of representative governments.**

1857* Dred Scott Decision: (7-2) First sued in 1847. The Court ruled slaves were **NOT** American Citizens of the United States and therefore had no standing to sue in Federal Court, they could not expect any protection from the Federal Government or the Courts. **African slaves are not citizens because they were not born in one of the several states, but they may apply to become naturalized and become citizens of a union State.**

1859 The (1789-1859) Debt due, (TMO-HOA) (United States Co.) does **NOT** have the money to pay, **the southern States refuse to "sign on" as sureties to that debt. (\$90,000,000.00) USD**

1861 The Civil War begins, **The southern states walk out March 27, 1861**

1863 Lieber Code 100 April 24, 1863 Old (TMO-HOA) "United States Co." bankrupt, new (TMO-HOA) named "United State of America Inc". This NEW TMO-HOA is a Delaware Corp chartered by **the Vatican.** All D.C. Federal (Territorial) citizens are under this military jurisdiction

1864* Act of June 30, 1864, Stat 223 sect 182: And be it further enacted, that wherever the word state is used, shall be construed to include the territories and the District of Columbia. **A "person" is no longer a people, it is a corporation.** 37th Congress sect 68

1865 Civil War ends, no Treaty signed which means Liber Code still in effect. **(TMO-HOA) "United States Co." was Bankrupt,** they re-structure the debt again. In 1789 the Bankers were granted Legal Title to all Federal Land and Buildings, this time they are granted Legal Title to all State-owned Land and Buildings. **The debt is now due in 70 years (1859 + 70 = 1929)**

1867 Congress created 5 military Districts in 10 Southern States, these commanders appointed judges to have tribunals to deal with "rebels". This **created a new Law form called "Presidential Admiralty",** these courts displayed a Stars & Stripes with heavy gold fringe.

1868* 14th Amendment ratified, (nullifies Dred Scott Decision) **Article IV section 2 Citizenship** (broadened and enlarged), **citizenship of the United States is now "Dominant and Superior" instead of being subordinate; 14th Amendment = (National/Statutory) Citizenship.**

187* The Organic Act of 1871, (Feb 21) Washington DC is now incorporated- A new Constitutional Trust is formed (1 word is changed) It is now called The Constitution of the United States of America. **(NEW TRUST = NEW LAW FORM) Under the new Trust = it is a Democracy with Roman Civil Law/Admiralty Jurisdiction/Military Venue (see Trust Diagram # 2)**

Every State now forms a franchise of United States of America Inc. and incorporates itself becoming a Sub-corporation. Every new franchise STATE "codifies" its old laws into statutes & codes.

See Trust Diagram #2 Constitution of the United States, Inc (2nd National Trust)

- 1976* Foreign Sovereigns Immunity Act: all public officials designated as foreign agents, 22 CFR 92 12-92.31 Foreign relationships require an Oath of Office. Their American citizenship is relinquished, they temporarily lose it for as long as they hold public office.**

1996 * U.S. v. Austin Gary Cooper, Case # 89-109-Hoevler. Mr. Cooper was being prosecuted for not filing an income tax form. Cooper elicited a staggering disclosure from **Judge Hoevler; that there are simultaneously 2 citizenships, "United States Citizens" and "American Citizens"**
Cooper: I want a judicial determination, am I an American Citizen or a United States Citizen?

Judge Hoevler: "You're both"

The Dept of Justice Prosecutor Linda Koslowski revealed the "United States Citizenship" is based strictly on contract. "He pays Social Security Tax and uses the Postal Service thus; this constitutes Co-Suretyship, therefore he is a U.S. citizen" Surety is defined as a person who is liable for the payment of another's debt or performance of another's obligation. **natural flesh and blood man born in the union states = American Citizen and the artificial public person = U.S. Citizen (Corporate Hybrid citizen)**

SUMMARY

1783 Treaty of Peace: The Parties were Prince George, Duke of Brunswick & Luxemburg (representative for the Holy Roman Vatican Empire) and **The United States of America**. The (Trust Management Organization-United States Co.) (represented by Ben Franklin, John Jay Esquire, and John Adams, Esquire) agree that they owe the France, 6 million livre (money borrowed for the Revolutionary War) and the note is due in 1790 (7 years, Bankruptcy Law).

1789 The 6 million livre has increased to 18 million livre and is due in 1790. The Continental Congress does NOT have the money so they form a "Constitution" = (Trust) (a security with sureties created by a Constitutor) **The 13 States are the original Constitutors.** (Legal Definition: a constitutor is one who promises to pay the debt of another) They convene the **First Congress**, all persons considered citizens of their respective state that they were born in; **Article IV Section 2. The Citizens of each state shall be entitled to all Privileges and Immunities of Citizens in the several States, including the 8 Bill of Rights.** (**Privileges and Immunities (Beneficiaries) proves there's a Trust**). The Bank of England agrees to re-structure the debt on the following conditions, (1) form a Central Bank (1791), and convey Legal Title to all Federal Land and Buildings to the Crown, the United States Co. (TMO) keeping Equitable Title (Possession). The debt is now due in 70 years (1789 + 70 = 1859) **United States of America is now a country** = 70 years debt due instead of 7 years as before (1783-1790) A trust management Organization (TMO)(like an HOA) named "The United States Co." is formed to perform the 19 enumerated powers stated in the Constitution. **Just like hiring an HOA now to perform lawn care services, today, no different.**

See Trust Diagram # 1 Constitution For The United States of America

1906 Certificates of Live Birth are given out as benefits to Federal employees who deliver babies in hospitals. **The Birth was supposed to be recorded but now it is "registered". i.e. given to King.** Certificates of Live Birth (**the afterbirth - presumed dead & abandoned**) create a Sole Corporation (artificial legal person) under Operation of Law in which a natural person becomes "surety" (secondary liable) for the All CAPS TITLE that was granted to him. This Sole Corporation is later (**March 9, 1933**) placed into the "PUBLIC TRUST" (**Congressional Record June 13, 1967**) in which a U.S. Citizen is a Co-Beneficiary/Co-Trustee. **A Sole Corp is defined as "a legal entity consisting of a single incorporated office occupied by a natural person."** collecting all public benefits to include limited liability. The ALL CAPS becomes a "PUBLIC" Statutory Citizen (created by United States of America, INC.) and every act this Public Citizen engages in, becomes a taxable event.

March 6, 1933 (Proclamation 2039) (FDR declares a "National Emergency") FDR closes the banks (**A National Emergency is treated as if we are at war**) United States of America Inc Bankrupt. **The Constitution places no limit upon the war powers of the government.** A new TMO (Trust management Organization) is formed, named "UNITED STATES, INC, today called the **UNITED NATIONS, this Corporation issues SSN's**

March 9, 1933 (Proclamation 2040) (The EMERGENCY BANKING RELIEF ACT)
"Therefore, in view of such continuing national emergency and virtue of the authority vested in me by section 5(b) of the TRADING WITH THE ENEMT ACT, I do hereby proclaim, order, direct and declare that all terms and provisions of said Proclamation of March 6, 1933 and the regulations and orders issued thereunder after hereby continued in full force and effect until further proclamation by the President. This is the Coup de tat; the former sovereign de jure Government is ousted although the rights of the sovereign remain intact, in substance, but not in form. We are still under this Order today because the National Emergency has never been rescinded, it has continued for 87 years.

Military Government is that which is established by a commander over occupied enemy territory. **The people are generally left unmolested in ordinary domestic and business relations.** Under our Constitution (Article 1 Section 8) & The Law of Necessity, one of the absolute international rights of the States is self preservation. One of these powers is to institute Military Government. Under the American constitution, Admiralty /Maritime is a civil jurisdiction and can be regulated under a Military Venue. Admiralty Courts are merely civil in nature not criminal; and portions of the **Bill of Rights does not apply in Admiralty Courts.**

Secondly, occupants are treated as rebels, belligerents, and enemies. The commander has the right to seize property. **Every State of _____ is a de facto conquered territory.** Under the Constitution there are 3 kinds of Military jurisdiction; 1. **One exercised in peace** 2. One in Foreign war or in time of rebellion 3. **one in time of invasion (FDR speech)**

The Commander rules the country with Supreme Power **(Executive - Article II)** This is why **Gold fringe flag with an eagle on top of the flag in each Courtroom.** 1973 Congressional Record report by Frank Church, "The United States has been in such a state of declared national emergency since March 9, 1933". **A majority of people of the United States have lived all of their lives under emergency rule.** 'When a citizen is governed by military power, he is not governed by the soldier's code of military law, but he is said to be governed by martial law and this law is entirely different. These are just some of the facts that prove America is governed under a military venue and Martial-Law jurisdiction. **The Zip Codes are Military Venues. Martial Law has both Civil and Criminal jurisdiction.** Only under Military Law does Congress have the Statutory authority to combine Equity and Admiralty/Maritime Law.

HEADLINE in the American Jural Society 1996, "Judge admits to War Powers Court!!! On the front page May 7, 1996 a Municipal Court Judge Carol Wardell in a traffic case stated, "that she would protect his rights under the War Powers act of March 9, 1933, but would not change the flag in her courtroom." The defendant had refused to enter the bar unless she removed the flag. This is for those who think lower level judges just follow orders and don't know what is going on, they know the Courts are under military law and hold summary court martial proceedings. A newspaper article quoted the Associated Press Tuesday Feb 9, 1999 stated, In 1942, daylight savings time "war-time" went into effect in the United States.

28 USC § 3002 section 15(a) United States means a Federal corporation

Title 8 USC 1101(a)(21) "There is absolute distinction between a U.S. citizen and American Nationals."

It wasn't the 14th Amendment that put citizens under the Crown's control, it was that all "persons" defined under the March 9, 1933 TWEA placed all corporations (Hybrid Corporate Sole via operation of law via application of Certificate of Live Birth) under the National (War) Emergency Powers thus all U.S. citizens are now put under military jurisdiction in Military Courtrooms.

1st (TMO-HOA) (1789-1871) Trust Management Organization called the "United States" hired to perform the 19 enumerated powers that the 1st Congress via the Constitution of 1789. 1863, Lincoln declares "United States" bankrupt, under Ch. 11 reorganization.

2nd (TMO-HOA) (1871-1933) Trust management Organization called "United States of America, Inc." FDR declares United States of America, Inc. bankrupt under Chapter 11 reorganization. The "estates" of the ALL CAPS NAME are moved to Puerto Rico, under DC territorial jurisdiction.

3rd (TMO-HOA) (1944) Trust Management Organization called the UNITED STATES, INC, presently preparing for bankruptcy, TMO looking to re-venue the ALL CAPS estates, again i.e perhaps JOHN H DOE, instead of JOHN HENRY DOE

28 USC § 3002 Definitions:

1. "State" means any of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Northern Marianas Islands, or any territory or possession of the United States Inc. **The word State equates to a body politic, not a geographical area**
2. "United States" means a Federal Corporation = District of Columbia

State of Illinois = District of Columbia Territory of Illinois

For Purposes of Social Security payroll and Medicare taxes only residents of the "State" of the District of Columbia are liable. Every "citizen" of the "United States" Inc., is either an actual resident of the District of Columbia or, through residing elsewhere, fraudulently construed to be a resident of the District of Columbia for legal purposes, every time you claim to be a citizen of the United States on any government application e.g. Social Security, Dr. License, voter ID, **you unwittingly gave them jurisdiction by voluntarily consenting to benefits of a Trust.**

The United States of America= 50 geographical sovereign union states

The 57 district United States of America Inc. =District of Columbia, plus the 50 States of+6 Insular States, Puerto Rico, Guam, Somoa, U.S. Virgin Islands

3 Kinds of Citizenship

1. **THE LAND** jurisdiction has union state Citizenship.
2. **THE SEA** known as Federal or Territorial jurisdiction allows DUAL Citizenship U.S. & union state
3. **THE 14th U.S. citizen** is a Corporate citizenship = Debt citizenship

There is no Law that forbids enslavement of corporations!!!
A Corporation has Income or wages, a Trust or natural person has private earnings!!!

Imagine a Fast Food chain is facing Bankruptcy so it gets all the local franchise owners together and they pledge their customers and their customer's assets as co-signers and collateral for the backing of the Fast Food Chain debt, that's WHAT THEY ARE DOING TO us since 1871

1918 Colonel Edward Mandell House in a meeting with President Woodrow Wilson. "Very soon every American will be required to register their biological property in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our security as a charge back for our fiat paper currency. Every American will be forced to register or suffer being able to work and earn a living. They will be our chattels (property) and we will hold the security interest over them forever, by operation of law merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading (Birth Certificates) to us will be rendered bankrupt and insolvent, secured by their pledges. They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two should figure it out, we have in our arsenal plausible deniability. After all, this is the only way logical to fund government, by floating liens and debts to the registrants in the form of benefits and privileges. This will inevitably reap us huge profits beyond our wildest expectations and leave every American a contributor to this fraud, which we will call "Social Insurance". Without realizing it, every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and we will employ the high office (presidency) of our dummy corporation (United States of America, Inc) to foment this plot against America."
