

Colonel Edward Mandell House Predicts the Creation of the STRAWMAN in the United States.

This is the first real evidence found that our current Social, Financial, and Legal system was deliberately designed to enslave humanity:

In a private meeting with Woodrow Wilson (*US President 1913 - 1921*) Colonel Edward Mandell House predicted the banksters' plans to enslave the American people. He stated:

"Very soon, every American will be required to register their biological property (*that's you and your children*) in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our security as a charge back for our fiat paper currency.

"Every American will be forced to register or suffer being able to work and earn a living. They will be our chattels (property) and we will hold the security interest over them forever, by operation of the law merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading (Birth Certificate) to us will be rendered bankrupt and insolvent, secured by their pledges.

"They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two should figure it out, we have in our arsenal plausible deniability. After all, this is the only logical way to fund government, by floating liens and debts to the registrants in the form of benefits and privileges.

"This will inevitably reap us huge profits beyond our wildest expectations and leave every American a contributor to this fraud, which we will call "Social Insurance." Without realizing it, every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and we will employ the high office (presidency) of our dummy corporation (USA) to foment this plot against America."

- Colonel Edward Mandell House.
